# Unlock the power of your people with PeopleOS

Your strategic HR partner enabling your business and people to thrive

# Our Story

PeopleOS combines decades of experience with state-of-the-art technology products to deliver best-in-class HR services.

Initially constituted the People Operations team within Venture Garden Group, a technology holding company dedicated to transforming the African continent through innovation and technology; In 2022, this entity evolved into PeopleOS.

For more than twelve years, since our inception in Vibranium Valley, we have delivered Human Resources support that has fueled transformative growth for over twenty businesses across Nigeria, Kenya, the United States of America, and the United Kingdom. We have formed partnerships with governments, businesses, founders, and investors to address challenges that positively impact millions.

# Our Philosophy

By aligning our objectives with your over-all people strategy, we aim to achieve measurable results for your business.

Our Mission is to continually link exceptional African talent to remote global opportunities that enable our clients scale faster

Our Vision is to create a borderless workforce, partnering with global organisations looking to hire talent from Africa

We understand the crucial yet challenging task of establishing the right structure to empower, motivate, and manage your people, particularly in the initial stages of your journey. That's why we assist you in managing all aspects of this process, helping your gain time to focus directly on achieving results.

# Our Solutions

We collaborate with organizations to provide innovative solutions, enhance performance, and push the boundaries for their success.

1

## HRx

Our Human Resources as a Service offering is a model that allows organizations to outsource their Human Resources function to us and provides flexibility, cost-effectiveness, and access to specialized HR expertise without the need for an in-house HR department.

3

## RemoteOS

With a talent pool that is not bound by geography, our model allows flexibility whatever your needs are. We provide staffing services to enable you scale your business fast and support your temporary, fractional, contract to permanent staffing needs across Africa.

2

## Ascend

Ascend focuses on equipping professionals with practical, in-demand skills and leadership competencies essential for success in the dynamic landscape of life. The platform offers mentoring and networking opportunities, connecting talents with both local and global avenues for professional growth and expedite their journey toward building successful and influential careers.

4

## ReSourcin

At PeopleOS, we've crafted and implemented a proven recruitment strategy focused on identifying, acquiring, retaining, and placing top talent. Recognizing that your success hinges on hiring the right individuals, our team of recruitment experts leverages our extensive network to source and screen a pool of competent resources prepared to take on roles within your organization.

5

## People Outsourcing

We are pleased to introduce our comprehensive end-to-end people outsourcing solution. This seamless offering encompasses strategy, planning, and implementation of manpower deployment, as well as effective workflow management.

Our Outsourcing Solution Highlights:

### Comprehensive Approach

From initial strategy formulation to the meticulous planning and seamless implementation of manpower deployment, we oversee every aspect of the process to ensure optimal results.

### Manpower Deployment

Leveraging our extensive network and proven methodologies, we identify, recruit, and deploy top talent best suited for your organizational requirements. Our rigorous selection process ensures that only the most qualified candidates are chosen.

### Workflow Management

Our advanced workflow management system streamlines operations, enhances productivity, and ensures smooth coordination across all aspects of manpower deployment. We handle workflow management with precision, allowing you to focus on core business activities.
